

1. Choose 1 hibernating animal that lives in the winter.
2. What do you think their hibernating home looks like?
3. Use your imagination and create the animal's hibernating home!

**Here are some ways you can
create the animal's home:**

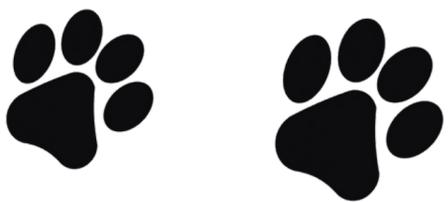

- **Draw**

- **Paint**

- **Write**

- **Clay**

- **Lego**

ESANMIDLE

Add-Ons

1. Choose one animal that is (or was) native to your region.
2. Do they hibernate in winter or neither?
3. How are humans impacting the animal's winter?
4. What is one way you can reduce this impact?
5. How would this help your community?
